

COMPLETE BUILD: THE ONE-LOAN SOLUTION FOR HOME BUILDERS

Looking to streamline your next building project? Our innovative **Complete Build** program combines land acquisition and construction costs into a single, powerful financing solution with just 15% down and no docs required.

Single Loan Solution

Purchase vacant land and finance construction in one seamless transaction

Just 15% Down

Significantly lower than traditional construction loans

No Docs Required

700 credit score is all you need. No income verification, pay stubs, or tax returns needed.

Interest-Only Payments

Pay only interest for up to 24 months during construction

"Complete Build allowed me to take on a project I wouldn't have been able to finance otherwise. The 15% down payment and interest-only payments preserved my capital when I needed it most." - Michael R., Custom Home Builder
